## Art On The Line Exhibition | Art Sale | Auction

Please support the American Women's Association of Hong Kong (AWA) by participating in our 2018 women-only art exhibition and auction which raises funds to help children, adults, disabled, and the elderly who live their lives at risk, in need, and in poverty.

The AWA is seeking donations of up to five pieces of artwork per artist. Dimensions for the hanging artwork should not exceed 38 cm x 38 cm (15" x 15").

All mediums are acceptable; however, most hanging artwork will be sold on laundry lines and secured with wooden laundry clips. When choosing/creating your lightweight pieces, please allow for a top margin so clips or tabs may to be added for hanging. Lightweight, freestanding, 3D artwork such as sculpture, ceramics, or small installations are also accepted.

All care and attention will be given not to damage the artwork but the AWA shall not be liable for any loss or damage.

For more information on the event, how to volunteer, and how to donate your artwork, email: [artontheline@awa.org.hk](mailto:artontheline@awa.org.hk)

The AWA is a vibrant organization of international women with more than sixty years helping those most in need in Hong Kong. Our mission is to welcome and empower women to connect and contribute in Hong Kong.
